**Municipal Agent Memo**  
Friday August 25, 2023

## **BATTERY ELECTRIC AND PLUG-IN HYBRID SURCHARGE - EFFECTIVE 9/1/23**

Dear Municipal Agents and Partners,

On June 6, 2023, Governor Sununu signed HB2 into law with an effective date of July 1, 2023. HB2 establishes a surcharge on annual registration for electric and plug-in hybrid electric vehicles to offset the loss of road toll revenues derived from transportation fuel taxation. The new regulation requires municipal agents to collect fees, as follows:

- **Battery electric vehicles, as defined in RSA 236:132, I, shall be assessed a surcharge of \$100.**
- **Plug-in hybrid vehicles, as defined in RSA 236:132, V, shall be assessed a surcharge of \$50.**
