Brief explanation/reason for Extension Request: _____

I certify that the information given is true and correct to the best of my knowledge. This application is issued subject to the regulations of the Town of Thornton and the State of New Hampshire. I certify that the proposed construction will be done in such a manner as to comply with all applicable local, state and federal laws and codes and **that this application is for the same use and purpose of my original application/permit**. Any violation may result in an enforcement action by the Town of Thornton, seeking compliance, civil penalties and attorneys' fees.

DISCLAIMER: "By approval of this application the Town of Thornton neither guarantees nor represents that the information contained on this form is accurate, reliable, or complete, or that the construction permitted will be or has been completed in a proper, workmanlike manner or in compliance with any applicable local or state code or regulations. No person or entity shall have the right to rely on the approval of this form as a basis to assert any claims against the Town, its officials, employees or agents for personal injury, bodily injury, or property damage including without limitation any claim for economic or other consequential loss."

NOTES:

Zoning Compliance Application Permits are valid for 2 years. Zoning Compliance Permit Extensions are valid for an additional 2 years beyond the expiration of the original permit, provided the extension is applied for before the original permit expires. The extension shall be for the same use and purpose of the original application/permit.

Any extension necessary beyond the 4-year date shall require a new Zoning Compliance Application, including submission of all documentation and fees normally required for a new application.

All permits shall be posted in a conspicuous place on the property during the construction of the project.
